SOLUTIONS
Your Health Is Our Priority

Hope. Health. *Together*

What are the symptoms?
Illnesses can be mild, or in some cases be severe enough to require hospitalization. Symptoms of this respiratory illness primarily include:

Fever   Cough   Shortness of Breath

Symptoms may show up 2-14 days after exposure

TeleHealth Services Offered

We are now offering our TeleHealth services to clients temporarily to help avoid the potential spread of COVID-19. This means if you want to see your provider via TeleHealth, you can speak to your provider through video chat.
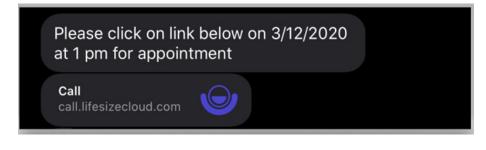

• You will need a smart phone, tablet or a computer with a camera and an email address.

• To get started, our support staff will send you a text message or e-mail that will allow you to access the TeleHealth system. (Depending on how you would like to receive the service).

The link will look like this:

https://call.lifesizecloud.com

• Your text or e-mail will include time and day of your appointment and a link to access your session. You will need to click on this link to start. This link will only work during your scheduled appointment.

Please click on link below on 3/12/2020 at 1 pm for appointment

Call
